## NOTIFICATION

New Delhi, the 8th March, 2013

No. 12-10/2000-CCH (Pt. III).—In exercise of the powers conferred by clauses (j) of section 33 of the Homoeopathy Central Council Act, 1973 (59 of 1973), and in supersession of the Homoeopathy (Minimum Standards of Education) Regulations, 1983, except as respects things done or omitted to be done before such supersession, the Central Council of Homoeopathy, with the previous sanction of the Central Government, hereby makes the following regulations, namely:—

1. **Short title and commencement.**— (1) These regulations may be called the Homoeopathy Central Council (Minimum Standards Requirement of Homoeopathic Colleges and attached Hospitals) Regulations 2013.  
(2) They shall come into force on the date of their publication in the Official Gazette.

2. **Definitions.**— In these regulations, unless the context otherwise requires:—
- (a) "Act" means the Homoeopathy Central Council Act, 1973 (59 of 1973);
  - (b) "attached hospital" means a teaching Homoeopathic Hospital attached to the Homoeopathic College;
  - (c) "college" means a medical college of Homoeopathy, whether known as such or by any other name, in which a person under goes a course of study and training including any Post Graduate Course of Study and training, which will qualify him for the award of a recognised medical qualification in Homoeopathy;
  - (d) "Courses" means the courses of study in Homoeopathy, namely:
    - (i) B.H.M.S. (Bachelor of Homoeopathic Medicine and Surgery)
    - (ii) M.D. (Hom.) [Doctor of Medicine (Homoeopathy)] in various specialties.
  - (e) "diploma" means a Diploma in Homoeopathy as defined in clause (iii) of regulation 2 of the Homoeopathy (Diploma Course) Regulations, 1983;
  - (f) "degree" means a Degree in Homoeopathy as defined in clause (iv) of regulation 2 of the Homoeopathy (Graded Degree Course) Regulations, 1983 or in clause (iv) of regulation 2 of the Homoeopathy (Degree Course) Regulations, 1983;
  - (g) "Post Graduation in Homoeopathy" means a Post Graduate qualification in Homoeopathy recognized as per the provisions of the Act;
  - (h) "Teaching Experience" means teaching experience in the subject concerned in a Homoeopathic College and includes teaching experience in the subject concerned in a Medical College permitted by the Central Government;
  - (i) the words and expression used herein and not defined, but defined in the Act shall have the respective meanings assigned to them in the Act.

3. **Fulfillment of minimum standard requirements.**—

- (1) The college and attached hospital(s) shall fulfill the minimum standards requirements of infrastructure and teaching and training facilities referred to in the regulations 4 to 13.
- (2) For exposure of the students in the clinical field and to understand the depth of operative surgery and operative Gynecology or Obstetrics as well as management in critical illnesses, a college shall have a Memorandum of Understanding with a reputed nearby located super-specialty hospital (of modern medicine) with all required facilities of operation theatre, labor room, Intensive Care Unit and other required facilities for the management of critical patients.

- (3) In case an attached hospital of a college does not have the facilities to handle operation theatre and other critical patients, the students of such a college can be deputed under the strict supervision of concerned teaching faculty of the college for the required exposure in the said field to the attached super specialty hospital.
- (4) The existing colleges and their attached hospitals established under section 12A of the Act and those colleges and their hospitals established prior to the 28<sup>th</sup> January, 2003 and recognized by the Central Council of Homoeopathy shall fulfill the minimum standards requirements of infrastructure teaching and training facilities referred to in these regulations by the 31<sup>st</sup> December, 2014 for consideration of grant of permission for undertaking admissions in the coming academic years.
- (5) If a college fulfills the requirement by 31<sup>st</sup> December, 2014 as per these regulations, it shall be granted permission to undertake admissions for a period not exceeding five years during which the college shall not be inspected, except for random checks on receipt of any complaint, or otherwise as deemed necessary either by the Central Government or by the Central Council of Homoeopathy.
- (6) The Central Council shall visit the college *suo moto* three months before the expiry of permission.
- (7) The conditional permission shall be granted only to those colleges which are fulfilling at least the requirement of teachers as specified in Schedule-IV, the requirement of functional hospital as specified at sub-regulation (2) of regulation 7 and availability of equipment as specified in schedule-III for each academic year 2013-14 and 2014-15 on the basis of the separate inspections to be carried out by the Central Council of Homoeopathy after the 15<sup>th</sup> May, 2013 for the academic year 2013-14 and after the 31<sup>st</sup> December, 2013 for the academic year 2014-15.
- (8) Such conditional permitted colleges or those colleges which have been denied permissions during the academic year 2013-14 and/or 2014-15, will be required to fulfill the requirements as specified in these regulations by the 31<sup>st</sup> December, 2014.
- (9) All the existing colleges, which are not able to achieve full compliance of the requirement as specified in these regulations by the 31<sup>st</sup> December, 2014, shall be denied permission from academic year 2015-16 onwards and action as envisaged under section 19 of the Act shall be initiated against all such colleges apart from rejection of their applications under sections 12A, which have been under consideration by way of conditional permissions or denials.

**4. Requirement of land-** The land required for establishment of a college including attached hospitals and adequate infrastructure shall be as prescribed in the Establishment of New Medical College (Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College) Regulations, 2011:

Provided that the said land requirement is not applicable for the colleges established prior to notification of these regulations in the Official Gazette.

## CENTRAL COUNCIL OF HOMOEOPATHY

## NOTIFICATION

New Delhi, the 8th March, 2013

No. 12-10/2000-CCH (Pt. III).—In exercise of the powers conferred by clauses (j) of section 33 of the Homoeopathy Central Council Act, 1973 (59 of 1973), and in supersession of the Homoeopathy (Minimum Standards of Education) Regulations, 1983, except as respects things done or omitted to be done before such supersession, the Central Council of Homoeopathy, with the previous sanction of the Central Government, hereby makes the following regulations, namely:-

1. **Short title and commencement.**— (1) These regulations may be called the Homoeopathy Central Council (Minimum Standards Requirement of Homoeopathic Colleges and attached Hospitals) Regulations 2013.  
 (2) They shall come into force on the date of their publication in the Official Gazette.
2. **Definitions.**— In these regulations, unless the context otherwise requires:-
  - (a) "Act" means the Homoeopathy Central Council Act, 1973 (59 of 1973);
  - (b) "attached hospital" means a teaching Homoeopathic Hospital attached to the Homoeopathic College;
  - (c) "college" means a medical college of Homoeopathy, whether known as such or by any other name, in which a person under goes a course of study and training including any Post Graduate Course of Study and training, which will qualify him for the award of a recognised medical qualification in Homoeopathy;
  - (d) "Courses" means the courses of study in Homoeopathy, namely:
    - (i) B.H.M.S. (Bachelor of Homoeopathic Medicine and Surgery)
    - (ii) M.D. (Hom.) [Doctor of Medicine (Homoeopathy)] in various specialties.
  - (e) "diploma" means a Diploma in Homoeopathy as defined in clause (iii) of regulation 2 of the Homoeopathy (Diploma Course) Regulations, 1983;
  - (f) "degree" means a Degree in Homoeopathy as defined in clause (iv) of regulation 2 of the Homoeopathy (Graded Degree Course) Regulations, 1983 or in clause (iv) of regulation 2 of the Homoeopathy (Degree Course) Regulations, 1983;
  - (g) "Post Graduation in Homoeopathy" means a Post Graduate qualification in Homoeopathy recognized as per the provisions of the Act;
  - (h) "Teaching Experience" means teaching experience in the subject concerned in a Homoeopathic College and includes teaching experience in the subject concerned in a Medical College permitted by the Central Government;
  - (i) the words and expression used herein and not defined, but defined in the Act shall have the respective meanings assigned to them in the Act.
3. **Fulfillment of minimum standard requirements.**—
  - (1) The college and attached hospital(s) shall fulfill the minimum standards requirements of infrastructure and teaching and training facilities referred to in the regulations 4 to 13.
  - (2) For exposure of the students in the clinical field and to understand the depth of operative surgery and operative Gynecology or Obstetrics as well as management in critical illnesses, a college shall have a Memorandum of Understanding with a reputed nearby located super-specialty hospital (of modern medicine) with all required facilities of operation theatre, labor room, Intensive Care Unit and other required facilities for the management of critical patients.

- (3) In case an attached hospital of a college does not have the facilities to handle operation theatre and other critical patients, the students of such a college can be deputed under the strict supervision of concerned teaching faculty of the college for the required exposure in the said field to the attached super specialty hospital.
  - (4) The existing colleges and their attached hospitals established under section 12A of the Act and those colleges and their hospitals established prior to the 28<sup>th</sup> January, 2003 and recognized by the Central Council of Homoeopathy shall fulfill the minimum standards requirements of infrastructure teaching and training facilities referred to in these regulations by the 31<sup>st</sup> December, 2014 for consideration of grant of permission for undertaking admissions in the coming academic years.
  - (5) If a college fulfills the requirement by 31<sup>st</sup> December, 2014 as per these regulations, it shall be granted permission to undertake admissions for a period not exceeding five years during which the college shall not be inspected, except for random checks on receipt of any complaint, or otherwise as deemed necessary either by the Central Government or by the Central Council of Homoeopathy.
  - (6) The Central Council shall visit the college *suo moto* three months before the expiry of permission.
  - (7) The conditional permission shall be granted only to those colleges which are fulfilling at least the requirement of teachers as specified in Schedule-IV, the requirement of functional hospital as specified at sub-regulation (2) of regulation 7 and availability of equipment as specified in schedule-III for each academic year 2013-14 and 2014-15 on the basis of the separate inspections to be carried out by the Central Council of Homoeopathy after the 15<sup>th</sup> May, 2013 for the academic year 2013-14 and after the 31<sup>st</sup> December, 2013 for the academic year 2014-15.
  - (8) Such conditional permitted colleges or those colleges which have been denied permissions during the academic year 2013-14 and/or 2014-15, will be required to fulfill the requirements as specified in these regulations by the 31<sup>st</sup> December, 2014.
  - (9) All the existing colleges, which are not able to achieve full compliance of the requirement as specified in these regulations by the 31<sup>st</sup> December, 2014, shall be denied permission from academic year 2015-16 onwards and action as envisaged under section 19 of the Act shall be initiated against all such colleges apart from rejection of their applications under sections 12A, which have been under consideration by way of conditional permissions or denials.
- 4. Requirement of land-** The land required for establishment of a college including attached hospitals and adequate infrastructure shall be as prescribed in the Establishment of New Medical College (Opening of New or Higher Course of Study or Training and Increase of Admission Capacity by a Medical College) Regulations, 2011:

Provided that the said land requirement is not applicable for the colleges established prior to notification of these regulations in the Official Gazette.
